d. Legal opinion by advocate Mr. Hanumaraddi

**LEGAL OPINION**

Sub: Legal opinion with reference to your letter dated 11/05/2019 with respect of deletion of the word terminated and to add the word suspended in Sec.6 (b)(iii).

With reference to the above subject I would like to give my opinion as follows.

1. If a word is inserted or added as "Suspended" by deleting the word "Terminated" which will definitely create the legal obligation to pay the compensation with respect of death claim as contained in your scheme and that obligation will not end until the member is terminated. The literal meaning of the word suspended means a member is suspended and his membership is kept in abeyance for non-payment of subscription, hence keeping the member in suspended position will not absolve your organization from the liability to pay death claim. Whereas the termination of the member will cease such member from having the benefit of the scheme for his default and he can revive his membership as stipulated in your scheme. I suggest not alter any words in the Sec.6(b)(iii)
2. My legal opinion is based on the photo copies of your By-Law documents and based on that only I have given my opinion. Hence this legal opinion.

The house discussed in detail and accepted the same.

e. Request for revival of membership by Dr. Shrishail (AG0015) of Jamkhandi branch.

House decided to inform Dr. Shrishail (AG 0015) of Jamkhandi branch to take fresh membership if age is permissible as member was terminated earlier.
